

"MentalGraceLLC" SMS Text Messaging Terms of Service

These SMS Text Messaging Terms of Service (these "SMS Terms") are incorporated into all agreements between you and "MentalGraceLLC" ("our organization", "us", "we"), including any agreements that are preexisting and any agreements that might be enacted contemporaneously with these SMS Terms.

"MentalGraceLLC" might use SMS text messaging, from time to time, for certain types of communication with you, including potentially for administrative issues, such as billing, or for health-related issues, such as care reminders.

You agree to receive (you "opt in" to receiving) SMS text messages from "MentalGraceLLC", related to services that we are providing to you. Message and data rates may apply, and message frequency varies. You may text us STOP at any time to opt out of receiving SMS text messages from us. You may text us HELP at any time to receive help.

SMS text messages from "MentalGraceLLC" may originate from our organizational phone numbers, including:

(720) 801-1925

There may be terms in other agreements between you and us that also apply to our organization's use of SMS text messaging, such as general terms related to privacy and data handling for our organization that are not specific to SMS text messaging. You agree that you have reviewed all agreements that we have provided you.
